

BTWI Internet Service Worksheet for FPS2021

This worksheet is designed to help exhibitors determine their internet service needs at the Farm Progress Show. Please fill out the following information and email the worksheet to fps@btwi.net, and we'd be happy to assist you.

It would be helpful if you could supply a sketch of the layout of your booth/lot.

Average Number of Users (per day): Qty _____

 Management: _____

 Other staff: _____

 Clients / VIP's: _____

Total Number of Users (per day): _____
