

MARK'S ELECTRIC Service Request

Mark's Electric has been providing temporary electrical services for exhibitors at the Farm Progress Show (FPS) for over 35 years as well as Husker Harvest Days for 10. We are dedicated to providing the best possible service and work for our customers.

Mark's Electric is an independent contractor - any services provided are billed separately from fees that are paid to the Farm Progress Show. Electrical fees paid to Farm Progress Companies are for availability of electrical outlets located in the pedestals provided on the show grounds. If an exhibitor's needs exceed a standard extension cord to the nearest electrical pedestal, we will be happy to work with your company to determine your electrical needs in the best possible way.

Services Include:

- Electric cabling for displays, lighting and other electrical needs

Services Not Included:

- Telephone & Internet services (ordered through provider)
- Electric Access (purchased through Farm Progress)

Instructions:

- Early planning in placement of displays is preferred, especially for those located further away from an FPS provided electrical pedestal; please call or email to discuss your needs early in the process if there are any questions
- All work requests must be accompanied with this form, and a new form must be submitted regardless of if you have submitted one in the past
- *Completed drawings WITH this form are due by August 1*
- **All invoices will be submitted to the customer after the show – pricing information and payment process is detailed below**
- This is a fillable pdf - please complete the fields of the form on page 2 and email the completed form as an attachment to markpamelectric@yahoo.com
 - By clicking the button below, your email browser should launch with the completed pdf attached for markpamelectric@yahoo.com - click "send"
 - If an email does not appear in a new window automatically after clicking the button, please save the form then manually attach and send to markpamelectric@yahoo.com
